## Re: Rate of 22 carat Gold

Attention is invited towards Bank's Circular vide memo no. 715, dt. 20.08.2024 inter alia, advising the consolidated guidelines with certain modifications with respect to financing against Gold Jewellery / Ornaments. Due to volatility in prices, the rates of 22 carat Gold for advance against Gold Jewellery / Ornaments has been reviewed by the competent authority.

Based on average of the closing price of 22 carat Gold (916 fineness) or the present price, whichever is lower, as quoted by the Indian Bullion and Jeweller's Association Ltd., price of 22 carat Gold has been recalculated.

The **rate (per gram)** for advance against Gold Jewellery / Ornaments which will be valid from 28.01.2025 to till further communication is given as under:-

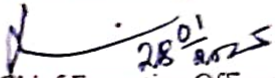

22 Carat Gold
Rs. 6,655/- per gram

Field functionaries are advised to strictly comply with guidelines regarding LTV ratio for the loan sanctioned for financing against Gold Jewellery / Ornaments which stipulates that LTV not to exceed 75% of the value of security during the entire tenure of the loan and 75% of the value of security in case of Bullet repayment.

All concerned are advised to go through the guidelines carefully and ensure meticulous compliance of the same.

Thanking You.

Yours faithfully,
